

3 tips to.... Finding Music at the Library

Tip #1: YOU CAN SEARCH FOR ALL MUSIC
IN THE LIBRARY CATALOG.

Tip #2: THERE ARE MANY WAYS TO FIND
MUSIC IN THE LIBRARY CATALOG.

Here are some examples of Library Catalog searches by

- AUTHOR** Type "Dylan, Bob" to see a list of all of Bob Dylan's cds.
Type "Beatles" to see a list of all of the Beatles cds.
- TITLE** Type "Phantom of the Opera [sound recording]" to find a cd recording of the Phantom of the Opera. Hint: [sound recording] after the titles indicates that it is a tape or cd.
- SUBJECT** Type "Popular Music - India" to find contemporary Indian music.
Type "Songs - Russian" to find cds with Russian songs.
- KEYWORD** Type "day tripper" to find cds which contain the song "Day Tripper". In the text catalog, search by keyword and then combine words in the Notes field. In the web catalog, search by keyword using the "All" button.
- CALL #** Type "CD 781.66" to see a list of all of our Rock cds.

If you have any difficulty searching in the Library Catalog, please ask a Reference Librarian for assistance.

Tip #3: DON'T FIND WHAT YOU WANT? MAKE
A SUGGESTION FOR PURCHASE!

Please give your suggestions to a Librarian at the Reference Desk, or submit a suggestion online at <http://www.ci.sunnyvale.ca.us/library/contact.htm#Suggesting>.
